

Better Every Call.

ISB6.7 For EPA 2010. For Fire And Emergency Applications.

Proven Power. Every Call. ISB6.7 For FPA 2010.

For superior performance at every rpm, Cummins ISB6.7 EPA 2010 is best-in-class. Its High Pressure Common Rail (HPCR) fuel system delivers an optimum balance of performance, emissions control and fuel economy across the entire operating range.

The ISB6.7 incorporates a fully integrated aftertreatment system that combines cooled EGR with proven Selective Catalytic Reduction (SCR) technology. This proven technology delivers near-zero emissions, while getting more power out of every drop of fuel.

From the reliability and durability you've come to expect from a Cummins B Series engine to the power and efficiency of our latest technology, the ISB6.7 delivers it all. Every call.

VGT™ Turbocharger – The Cummins VGT Turbocharger is both simple and precise. Electric actuation allows infinite adjustment, providing the exact amount of boost necessary for superior response. The proven sliding-nozzle design has best-in-class reliability and durability.

HPCR Fuel System – The HPCR fuel system delivers a precise mixture of fuel and air at a constant pressure, regardless of engine rpm. This flexibility in injection timing allows multiple injection events per cycle, which maximizes fuel economy and performance while decreasing noise and exhaust emissions.

Cooled EGR – This next-generation system lowers combustion temperatures for reduced emissions and optimized fuel economy.

Fully Integrated Electronic Controls – A single higher-capacity Electronic Control Module (ECM) controls everything from air intake to exhaust aftertreatment for peak performance and near-zero emissions.

Cummins Aftertreatment System – The proven Cummins Particulate Filter reduces particulate matter by over 90%. In 2010 it is combined with Cummins SCR to meet emissions standards while maintaining best-inclass performance, reliability and durability. Cummins SCR technology has been proven in over 200,000 European vehicles and uses Diesel Exhaust Fluid (DEF) to achieve NOx emissions at near-zero levels. DEF will be readily available; reference Cummins Filtration flyer LT15618 for more information.

Cummins is a pioneer in product improvement. Thus, specifications may change without notice. Illustrations may include optional equipment.

ISB6.7 Specifications

-			
Advertised Horsepower	260-360 нр	194-269 KW	
Peak Torque	660-800 LB-FT	895-1085 N•M	
Governed Speed	2600 RPM (2800 RPM for 340-HP rating)		
Clutch Engagement Torque	400 LB-FT	542 N •M	
Number of Cylinders	6		
Oil System Capacity	4 U.S. GALLONS	15 LITERS	
System Weight	1,340 LB	608 KG	
Engine (Dry)	1,150 LB	522 KG	
Aftertreatment System*	190 LB	86 KG	

^{*}Increase over standard muffler and does not include chassis OEM-supplied components.

ISB6.7 Maintenance Intervals

Maintenance Item	Miles/Kilome	eters Hours	Months
Oil and Filter*	15,000 мі 24.000 км	500	6
Primary Fuel Filter**	15,000 MI 24,000 KM	500	6
Secondary Fuel Filter	15,000 MI 24,000 KM	500	6
Coolant Filter	None***	None*	*** None***
Overhead Adjustment	150,000 мі 241,500 км	5,000	48
Standard Coolant Char	nge**** 60,000 MI 96,000 KM	2,000	24
Coalescing Filter	Every 3rd to 4th Oil Change Interval		
DEF Filter	200,000 мі (320,00	0 KM)	
Particulate Filter Cleaning	200,000 мі (320,00	0 KM) or 6,500	Hours

^{*}Assuming normal duty cycle for fire/emergency vehicle applications and 14.2-liter (15 qt) capacity lubricating oil pan.

^{****}Extended coolant and drain/flush/fill intervals may be followed when certain requirements are met. For more information on these requirements, refer to the Cummins Coolant Requirements and Maintenance Service, Bulletin 3666132.

Cummins Inc. Box 3005 Columbus, IN 47202-3005 U.S.A.

Phone: 1-800-DIESELS (1-800-343-7357) Fax: 1-800-232-6393 Internet: everytime.cummins.com

Bulletin 4971208 Printed in U.S.A. 4/09 ©2009 Cummins Inc.

^{**}OEM-supplied: intervals may vary.

^{***}If engine is equipped with an optional coolant filter, it will need to be replaced at the same intervals as the oil filter.
